CHANGE TO GENERAL MEETING SCHEDULE

It has been decided to review how often we have a general meeting. Presently the club has a general meeting on the second Wednesday of each month.

When necessary the Summer Series discussions are held at a separate meeting. There is a Road Committee which also meets separately.

It is proposed that there will be only a General Meeting every second month.

Please have a think about this option.

There will be a vote on Wednesday 11 August at the next general meeting. If you wish to vote, you must attend the meeting.

Weeks Results

[18 Jul - Calliope to Biloela Cycling Classic & Erdinger Alcoholfrei Teams Trophy Series - Round 3](#)

This was a great little road race, it was good to see Con and Jason do the trek up north, it is well worth the drive. The Erdinger team survived the bus trip (a few stories to tell); we won't mention the driver forgetting to look at the petrol gauge on the way back 🤔.

Thanks to John Morris for doing his stint in the driver's seat and running the event. Logan CCC needs to look at this event next year and get up there; it is a "CLASSIC".

Weeks Events

SW1 Crestmead 4.30 to late.
Good luck to all competing at the Tour of the Scenic Rim.
Don't forget to book for the Charles Coin Memorial.

Hi Team

Thanks to everyone for their support and messages over the weekend. I can confirm that Chris Scott and I completed the Kokoda challenge! We had a great team and managed to complete the event in just less than 24 hours. This was about 3 to 4 hours quicker than we had planned for. We managed to do the second half about 3 hours quicker than the first and probably ran over 20km towards the end. It was a great event and I would recommend it to anyone wanting a fresh challenge.

We are both keen to get back on the bike now and hoping to get fit for the clubs champs and state team time trial. See you for the early ride on Saturday! (maybe)

Captain's Corner

Another good turnout at training on Tuesday, good to see Jacko back on the bike after his fracture. There was a good pace happening in the bunch which is good 'cause it does get a bit cool towards the end of the session.

Saturday morning was a bit fresh to say the least; the old tootsies were a bit on the cool side when I and Glenn got to Sonic only to find one waiting for us - John.

I'd not met him before but he has done a few Saturday rides. There were no other additions along the way. I didn't do the coffee ride but there was a good 25 there by all accounts, good stuff.

The race on Saturday was a tough one with Trent turning up resplendent in his Erdinger outfit. The average of the lead group was a touch under 40 km/h, pretty quick on that course. Nic took out the win, after desperately hanging for the 13 laps, with an electrifying burst of pace in the last 200 mtrs, Glenn finishing a close second. There were a few red faces at the end; the handicap was taken out by Bruce who'd gone home so we all went to the pub with his winnings. Dave was second and Alasdair 3rd, great effort from the young lad. I hope Dad didn't just take the money straight back!!!

Well done to all who competed and thanks to Maree and Neil for sorting out the results apparently the sealed handicap is not the favourite amongst the commissaries. Safe riding cheers John E.

Sunday Ride

Sunday Ride 18-07-10.

Hey this is the first time I've done the Sunday write up and I didn't get soaked on the ride so I'm pretty happy about that.

This week's Sunday ride was from Springwood to Labrador and return. Three riders started at Springwood on a chilly morning headed towards Loganholme and picked up another 12 riders. We waited around for a few minutes for the Sunday Captain until it was decided to head off.

Down the road about 3 k's we came across the Sunday Captain who had only recently brought new tyres because he was getting too many flats changing his back tyre. Well after a fair bit of flack from 15 riders watching him change his tyre we were off, his nick name now is "Captain - Flat Jack."

Anyway we headed down towards Labrador picking up another 2 riders along the way - 17 in total, not a record but still pretty good. They were racing at Pimpama on the way through and it was good to hear one of the Logan Club Members yelling out "Go Logan" as we all rolled through.

The main and most serious topic along the way was what coffee shop we were going to stop at. One of the regular Sunday riders wanted to stop on the way back at the "Princess Parlour" at Oxenford. I'm not sure what the attraction is, the Coffee, Food or The Owner, I'll leave it up to you to figure the reason! "Female Perspective".

We picked up the pace from Oxenford to Labrador. I think a couple of riders had a deadline to meet so they were definitely pushing the pace. We ended up stopping at the \$3 dollar special

breakfast place at the Labrador esplanade, pretty good service, food, price and not to mention the "Great Water Views".

We headed back to Springwood with no real dramas or flats; a great ride was had by all.

A Special Saturday 5:15 Ride Report 17-07-10.

The Saturday, 5:15 ride saw seven riders, braving the dark and cold weather to do the 40 k loop. We spent the first few K's warming up then started doing the pace line up to Chandler.

The pace line was too much for one rider who must have been frightened by the dark & speed and had to make an "Instantaneous Emergency No 2 Toilet Stop". Unfortunately no paper could be found but one rider generously gave up his favourite riding hanky. The emergency was over within a flash and we all made it back to Springwood minus the hanky.

PS: I've never seen someone so happy to receive a hanky in my life.
