

Sprint Series every 3 weeks-check Logan CCC for dates.

This graded match sprint series runs at the Sleemans Sport Centre - Chandler Velodrome over the summer of 2009-2010, The series is open to Senior riders and U/17 juniors. Riders younger than U/17 are not able to compete in this series. Although Logan CCC Juniors will be catered for.

The series is a graded match sprint series, if there are sufficient numbers of riders we run 2 or 3 grades on each day. Riders qualify at first with flying 200s and are then split into grades where there will be a round robin or partial round robin to determine the top four riders from each grade, who then race for the top three places.

Entry fees are \$10 per rider per day and it is expected that each rider will have the opportunity to have three match sprints per day plus finals. You will not be eliminated in the first round. The aim of this series is for riders to gain experience and to get as much time racing as we can squeeze into a session..

Prize money is paid as a percentage of the entry fees collected on the day and riders also compete and gain points towards series aggregate prizes, these prizes are yet to be determined for the 2009-2010 series

This is Logan City CC first year at running this, if you are attending this series and can see room for improvement or something needs a change, please contact LCCC with your ideas, we want this series to continue to grow and will be happily advised by any help we receive.
