The Mt Cotton course is a slightly undulating 2.7km on private roads that offers you a unique riding experience. This is a very high-quality track that features a couple of rolling hills, nice clean fast sweeping corners all on a wide well looked after road surface. When you arrive at the venue follow the driveway all the way to the end where you will be guided by traffic marshals to the carpark. Registration, Start, Finish and toilets are all located around the carpark. There is also another toilet block located on the driveway and a good option to use while warming up.

The Under 9's to Under 15's will race on a shorter course, this is a 1.1km Crit course that uses that same start finish as the other races. Taking a left turn just as the carpark ends then rejoins the longer course.
